

Shallow water. Deep secret.

THE COVE

VERY POWERFUL...Indignant and forceful.

The footage is staggering! Passionate, exciting and frightening.

A cross between 'Flipper' and 'The Bourne Identity'.

I would be surprised if it doesn't wind up being nominated in next year's Oscar race.

Moves you, engages you, thrills you, enrages you.

Riveting...a classic espionage tale!

Pure cinema. A paranoid thriller that demands to be seen.

An astonishing work.
